*According to the provisions (Article 23) of the Environment Code, the repetition of the same act by the same vessel within the next three years after the service date of the first fine will result in doubling the fine amount for the next pollution event and tripling for the following ones.

**If any hazardous waste or similar nature or of its substance is released / dumped to the sea, the fine to be imposed is 10 (ten) times of the announced tariffs under the category of "A" above.

***If the vessel or the sea craft (offender) cleans the pollution caused by its own, by using her own means and efforts, the administrative fine shall be 1/3 of the total amount.

****Payment of the fine within 30 days as of the service date provides an advantage of 25% discount over the total amount.

***** The above rates are tripled if the owner of the vessel, which caused pollution is a legal entity.
